

Do you want to become an

OT ASSISTANT OT SUPPORT

**This modular programme of face to face training
is designed for Educational staff working with
children or young people
under SEND, EHCP or requiring additional
support, under the guidance of a qualified OT**

What's Included?

What is OT, and how does it support young people?
How to use simple observations to identify needs
How to run practical activities safely and efficiently
Deliver targeted support and OT informed strategies
Fine/gross motor skills, handwriting, sensory processing,
self regulation, attention, and self-care
Support young people to access learning and build skills
Work collaboratively with OT and professional peers
Communicating with parents/care givers
Practical strategies to use every day

Where

Held in our Clinic space in Hampshire this course is
delivered by Alison Cairns and Sarah Minter, who have over
50 years combined experience in Clinical OT Paediatric
Practice.

You'll have the opportunity to ask questions, talk about
strategies and discuss real life practice.
